

Raffaele Vergnani

Transport and environmental policy expert

My background is geography and spatial planning. Gained 8 years of professional experience as officer and analyst in environmental and transport policy sectors, in front-row research, consultancy and tech companies. Worked on 8 projects financed by EU bodies and delivered 10+ targeted studies to the EU Commission, the EU Parliament and the Alpine Convention. Truly enthusiast about sustainable mobility, digital innovations and excited about the radical changes that the whole sector is facing.
